REMARKS

The present response is intended to be fully responsive to all points of objection and/or rejection raised by the Examiner and is believed to place the application in condition for allowance. Applicants assert that the present invention is new, non-obvious and useful. Prompt consideration and allowance of the claims is respectfully requested.

Claims 1, 3, 4, 7-12 and 15-22 are pending in this application, with claims 1, 3 and 11 having been amended and claims 2, 5-6 and 13-14 having been canceled in a Amendment filed with a Request for Continued Examination on December 22, 2009.

Claim 1 is being amended herein to correct an indefiniteness that Applicants have detected with respect to a Markush grouping. This amendment is being made merely for form, and no new matter is presented by this amendment.

Conclusion

Should the Examiner have any question or comment as to the form, content or entry of this Amendment, the Examiner is requested to contact the undersigned at the telephone number below. Similarly, if there are any further issues yet to be resolved to advance the prosecution of this application to issue, the Examiner is requested to telephone the undersigned counsel.

Please charge any fees associated with this paper to deposit account No. 50-3355.
